RE: SP-0058-2013, Busch Gardens Trapper Restroom Amendment

Dear Mr. Connolly:

Staff has reviewed the above referenced plan and offers the following comments:

Planning:

1. Please note that effective July 1, 2007, the James City County Board of Supervisors instituted a \$250.00 fee for every review of a project after the second resubmission and review. This means that this project shall be allowed *ONE* additional submissions before this fee will be assessed.

2. Planning, Building Safety and Permits, Fire, and Engineering and Resource Protection have all approved this plan

JCSA:

Comments are pending and shall be posted on case track when received.

When the above comments have been incorporated into the plans, please submit 10 sets of revised plans and a letter noting what action was taken to correct the above and outstanding comments. Please contact me at 253-6685 should you have any questions or concerns.

Sincerely,

W. Scott Whyte
